OPERATION: MIDNIGHT CLIMAXXX

Working for the Central Intelligence Agency during the sixties was a trip.

Pun intended.

As an agent affiliated with Operation Midnight Climax, I observed some really wild shit. This top-secret experiment took place in the Haight-Asbury section of San Francisco, the ideal location in which to learn as much as possible about the effects of LSD. A relatively new drug at the time, acid was, more or less, an enigma. The CIA was tasked with determining if the substance could benefit the government's burgeoning mind-control program.

As a field agent, I was stationed at one of several "safehouses" located throughout the city. These sites were actually brothels staffed with prostitutes recruited off the streets. A working girl would lure an unsuspecting john to the brothel where he was dosed with LSD and observed through a two-way mirror.

My job was a voyeur's dream. I sat there on a comfy sofa, hour after hour, watching couples fornicate. I was getting paid to view live sex shows.

Talk about a plum assignment!

Of course, I was also getting paid to take detailed notes regarding any and all post-coital conversations.

Prostitutes were instructed to pump johns for personal information, getting them to talk openly and freely about hidden aspects of their lives. Plied with sex and a mind-altering drug, most johns were forthcoming. One guy copped to embezzling thousands of dollars from his employer; another, a highly successful attorney, confessed to cheating on the California Bar Exam.

Mine was a highly entertaining job. Eye-opening, to say the least. I never knew what the day would bring. And the perks—man, did I have it good!

When business was slow the girls were more than willing to dole out freebies to agents. We were like one big horny family. I indulged often. Endless pussy. If business was booming, I found myself in a constant state of arousal. Watching people fuck all day gave me a perpetual boner. I became a whiz at jerking off, perfecting the art of masturbation.

I wasn't married at the time, didn't even have a steady girlfriend, so the gig was a perfect match. It filled a sexual void in my life.

My favorite girl, by far, was Cheyenne.

A smooth operator, Cheyenne. The way she would deftly spike a cocktail before handing it to a clueless john never failed to impress. She was a natural spy. I

could watch her work all day. And often did. When we weren't fucking.

The first time was most memorable. I was sitting on the sofa in the observation room, my eyes trained on the drama unfolding on the other side of the glass. Resplendent in a short skirt and tight-fitting blouse, Cheyenne negotiated price with the horny sailor. She offered him a drink, but he declined. Some johns didn't take the bait. No big deal. Money was exchanged. Cheyenne tucked the cash in her clutch and proceeded to strip.

"Don't be shy, sweetie," her voice came through the speaker as she spoke to the sailor. "Get undressed . . ."

Cheyenne took real good care of him. She sucked his dick, for starters. Kneeling before him while he sat on the edge of the bed, she devoured his prick. Her lips glided up and down the sailor's shaft, priming him expertly for forthcoming fun. I unzipped my pants and freed my cock. Cigarette in one hand, dick in the other, I smoked and stroked.

Things heated up quickly. Cheyenne lay on the bed and spread her legs. She raised her knees, opening herself for a thorough reaming. My view couldn't have been better. I gazed at her pussy, hairy and splayed, in all its pink glory. At least until the sailor's white ass blocked my view. He mounted rather clumsily and started pumping between her legs.

Slow down, kid, I thought. You're going too fast. Way too fast.

And I was right. The sailor lasted all of thirty seconds. He rolled off and sat there staring at the floor. Cheyenne started to get dressed. The sailor didn't like that, didn't like it one bit. His pride was hurt, his ego damaged. He wanted another go. But he didn't want to pay for another go.

"That's not how it works," Cheyenne explained.

The sailor wouldn't take no for an answer. He raised his voice, assumed a threatening posture. Cheyenne told him to leave. He wouldn't leave. She looked at me through the two-way mirror, her eyes imploring me to intervene. I zipped up, extinguished my cigarette, and rushed out of the observation room. I pushed open the other door to find the sailor riffling Cheyenne's clutch.

He was shocked to see me. "Who the hell are you?"

"Put the money back," I told him, "and get the hell out of here."

He mouthed off. I slugged him in the jaw. He would've dropped like a sack of cabbage had I not grabbed hold of his arm. The money was on the floor where he had dropped it. Cheyenne's money. She had earned it, fair and square. I kicked the sailor in the seat of his pants, kicked him out the door.

"Get lost, kid. And don't come back . . ."

I collected the money and handed it to Cheyenne. She stowed the bills in her clutch. "Thank you . . ."

"You're welcome," I told her. Then, "I'm sorry that

happened."

"It goes with the territory."

"Sure."

I searched her face. She searched mine. I knew next to nothing about her. Working girl. Young, yet experienced. Good at her job. Damned good. The best girl we had. The others could learn a lot from Cheyenne.

"Do you like watching me?" she asked bluntly.

"That's a stupid question," I told her.

"Is it?"

"Most men would kill for my job."

"I'm flattered."

"It's true."

"Can I repay you?"

"You can do whatever you like."

"In that case . . ."

She had managed to put on her panties and bra before the sailor had lost his cool. Now she shucked them and sat on the bed. I couldn't get out of my clothes fast enough. Standing there, my rigid tool in hand, I watched her lean back and spread her legs. Cheyenne played with herself, rubbing her hairy pussy with one hand while kneading her tits with the other. She had a nice set of knockers. Her nipples were stiffer than a corpse at the city morgue.

"I've been wanting to do this for a long time," I confessed, stroking my cock slowly. "Observing you through

that glass over there—well, it tends to make a man hot and bothered . . .”

She chuckled at the expression. “I’m glad.”

“You’re a real asset, Cheyenne. This is an important assignment. The agency is lucky to have you. Our nation’s security depends on—”

“Shhhhhhh.” She pressed a finger to her lips. “Enough talk.”

Cheyenne didn’t have to tell me twice. I moved between her legs. She grasped my prick and guided it inside her. Perfect fit. Her cunt, hot and wet, clenched me in its tight embrace. As a working girl she had taken plenty of cock. Still, her snatch was nice and snug. No wonder the inexperienced sailor had come so fast. Cheyenne was more woman, way more, than the kid could handle.

I proceeded to thrust, moving my hips at a measured pace, a sensible place. I wanted to enjoy her, wanted to savor her luscious body. And, of course, I wanted her to get off. I had read in a men’s sweat magazine that working girls rarely, if ever, climax when having sex with men. They rely on masturbation, or a female partner—usually a fellow prostitute—to get their orgasmic jollies.

I was determined to prove the article wrong.

Raising her knees like she had done with the sailor, she moved beneath me, establishing a wondrous rhythm with her shapely hips. She sighed dreamily, sighed and moaned and groaned. This turned me on something fierce. I thrust faster, harder, giving her every inch of my turgid manhood.

Moments later, both of us desirous of variety, we switched things up. I lay on the bed while Cheyenne straddled me. Employing her hand, the same one she had used to play with herself, she guided me inside her. Skewered on my rock-hard rod, she rode me in earnest. Bucking and gyrating, her jugs bouncing, she worked up to a feverish pitch.

“Yes! Yes! Ohhhhhhhhhhhhhhhhhhh!” Cheyenne cried crazily, getting closer and closer to the precipice.

Holding her waist with both hands, my fingers digging into her supple flesh, I marveled at her excitement. It wouldn’t be long. I focused mightily on going the distance. Her pleasure was first and foremost. Only after making Cheyenne come could I surrender to my own selfish needs.

No sooner had this thought bloomed in my mind than she did just that. Unleashing a shrill wail, her pussy leaking around my dick, she twitched and shuddered in the throes of a squirting orgasm. Spent, she fell forward. Her soft tits pressed to my chest, her lips crushed to my neck, she breathed raggedly like a runner after a lengthy race.

Still gripping Cheyenne’s waist, her breath hot on my skin, I willed myself to hold out just a little while longer.

“Did you come?” she muttered.

“Not yet. I was hoping you could finish me with your

mouth.”

She climbed off me and devoured my cock. Cheyenne gave good head, real good. Grunting, I exploded in her mouth. She swallowed my load.

“Thanks again,” she said after we had gotten dressed. “That sailor was a real loose cannon.”

“Don’t mention it,” I told her. “And thank you, Cheyenne. I had a wonderful time.”

Feeling better than I had in months, I returned to the observation room to finish my workday. I opened the door to the uproarious applause of my fellow CIA

agents. They hollered and whooped and whistled. Hell, they even gave me a standing ovation.

Framed in the doorway, I smiled good-naturedly. They had congregated in the room and watched the whole thing. I had never been so embarrassed in my life. Heat flooded my face.

“Bunch of perverts,” I told them. “You guys ought to be ashamed of yourselves . . .”

Turns out I was the first agent to boff one of the girls. My liaison with Cheyenne opened the floodgates, so to speak. Banging the help became standard practice among agents. Hell, we even started dropping acid.

It wasn’t long before Operation Midnight Climax devolved into a hedonistic romp devoid of any research and/or intelligence-gathering value.

Compliments of the American taxpayer!

*"T'was the night
before Xmas
and all through
the store... shit was
everywhere..."*

... and my feet were fucking sore," I sang to myself in the middle of closing duties.

I had composed the lines during my lunch break; this after trying and failing to write a decent poem.

dars, etc. Customers can be awfully inconsiderate; they leave shit all over, neglecting to return items to their proper places.

It took some doing, but I finally collected and reshelfed the aforementioned strays. The ones scattered throughout the store, anyway. I always saved the restrooms for last. Every night was the same old scene: Tons of reading material stacked on the floor beside the toilets. Filthy pigs!

Donning my latex gloves like a surgeon, I opened the men's room door just a fraction. Knocking loudly, I identified myself as a staff member. Silence. Empty, I thought with relief. There was nothing more frustrating than having to wait for a customer to finish their business before you could do your job, especially if said business was number two and the restroom smelled

like shit.

Eager to go home and get wasted on eggnog, I entered the restroom with a plastic tote bin. If history served the thing would be at least half full by the time I finished. The first two stalls were cluttered with books . . . books on the floor . . . books on the tank . . . even books perched on top of the toilet paper dispenser.

Silence. Empty,*

We're all wannabe writers here at the big corporate bookstore, more or less. And stuck in retail hell. Working during the Xmas season is the worst. Madhouse. That's the only way I can describe it. As for closing duties—well, don't even get me started.

We have to comb every inch of the place, every nook and cranny, for stray books, magazines, calen-

I silently thanked the person who invented latex gloves before moving on to the third and final stall where I received the shock of my life . . .

After all, it's not every day that I walk in on some random guy masturbating.

His earbuds told me why he had failed to respond to my earlier announcement. Not that I was particularly interested in his earbuds. His cock, however, was a different story. The guy was BIG! Much bigger than my boyfriend who had chosen to spend Xmas with his family halfway across the country instead of me. Not that I was bitter or anything . . .

The stroking stranger was getting his jollies with a swimsuit calendar. Jerking and tugging with one hand, he used the other to press the calendar against the stall wall.

"SHIT!" he hollered upon seeing me, instinctively covering himself with both hands. The calendar dropped to the floor; it lay there beside its crumpled plastic wrapping and a short stack of comic books.

Keeping one hand over his junk, he raised the other and removed his earbuds. "Get out of here!"

"I work here," I stated bluntly, wishing his hand would miraculously disappear so that I could get another look at his magnificent cock. No sooner had the thought entered my dirty mind than he raised his hand and gave me the finger.

"Merry Xmas." He started to pull up his pants.

"It would be a lot merrier," I told him, "if I could suck your dick . . ."

"Yeah, right," he replied, not believing a word I had said.

"I'm serious, dude. I'm nothing but a ho-ho-ho."

He chuckled at my joke. But I silenced him with my mouth. After all, a sloppy blowjob is absolutely

no laughing matter.

Crouching on the floor, I gobbled his cock in earnest. Pumping my head to and fro, my lips cinched around his prick, I treated him to a superlative blowjob. It wasn't long before he took a more active role. Steadying my head with both hands, he thrust his hips repeatedly. His swollen glans tapped the back of my throat as he fucked my face mercilessly.

My pussy was sopping wet. Dying for a good and proper reaming, I withdrew my mouth from his

BRING YOUR SELECTIONS TO THE REGISTER . . ."

The well-hung stranger pulled up his pants, telling me that he had lost track of time and needed to buy a last-minute gift for his mother. Then he was gone . . .

I thought about following him into the store and making him pay for the unwrapped calendar, then promptly rejected this idea. Granting him a pass was the least I could do. It was Xmas, after all. And he had given me one hell of a generous gift!

crotch and told him to fuck me. He lifted my corduroy skirt, pushed my panties aside, and pressed me against the stall wall. His hands cupping my ass, he lifted me off the floor and drove it home.

He fucked me hard and fast, drilling my snatch like a jackhammer before exploding inside me.

"ATTENTION SHOPPERS," the voice of a coworker boomed over the P.A. system. "THE STORE WILL BE CLOSING IN FIFTEEN MINUTES. PLEASE

I silently thanked the person who invented latex gloves before moving on to the third and final stall where I received the shock of my life . . .
